Dear JOHANNES W DEWINTER,

Please see the important information below regarding your Escrow Account on the above referenced account.

Important Bankruptcy Information

This statement is for information only. We are not trying to collect a debt against you personally. Our records indicate that you recently filed for bankruptcy or you are already having a discharge. Although your legal duty to repay the loan may be discharged, we still have a lien on the property and the right to foreclose on the property if the loan is in default.

Please be advised that this is not an attempt to collect any pre-petition escrow advances, which have been previously included in the subject mortgagee's Proof of Claim and were approved to be paid through the Bankruptcy Plan. The escrow account overage above is based off of the assumption that all escrow contractual payments were made current. If the escrow payments were not made current the overage shown above is not accurate and will not be disbursed.

What is an Escrow Account?

Each month, a part of your monthly mortgage payment is deposited into your Escrow Account. We use this money to pay your Scheduled Disbursements for Taxes, Hazard Insurance, and/or Mortgage Insurance as they come due throughout the year. The amount we collect from you and deposit in your Escrow Account each month is 1/12 of the annual Scheduled Disbursements, plus any minimum balance requirement, sometimes called a "cushion".

For your property at 2165W 1010 N, SAINT GEORGE, UT 84770, the cushion is equal to 1 month of the escrow payment.

TABLE 1 - DISBURSEMENTS ON YOUR BEHALF IN THE UPCOMING YEAR

Payee Name	Amount	Phone Number

WASHINGTON COUNTY	\$1,608.50	435-634-5711
Total Scheduled Disbursements	\$2,024.86	

What is an Escrow Account Surplus?

A surplus means you have more money in your escrow account than what is needed to fully pay your Scheduled Disbursements. An Escrow Account Surplus is typically caused by changes in your taxes or insurance premiums.

What are the results of my Annual Escrow Account Analysis?

We've completed the analysis of your Escrow Account based on the activity for the period Mar 2020 - Oct 2020 (Table 2) and our analysis indicates your escrow account has an Escrow Account Surplus exists in the amount of \$291.56.

**IF YOUR LOAN INCLUDES PRIVATE MORTGAGE INSURANCE (PMI)
PLEASE READ THIS IMPORTANT INFORMATION**

Private Mortgage Insurance: Your mortgage loan requires private mortgage insurance ("PMI"). PMI protects lenders and others against financial loss when borrowers default. Charges for the insurance are added to your loan payments. Under certain circumstances, federal law gives you the right to cancel PMI or requires that PMI automatically terminate. Private mortgage insurance may, under certain circumstances, be canceled by the mortgagor (with consent of the mortgagee or in accordance with applicable state law). Cancellation or termination of PMI does not affect any obligation you may have to maintain other types of insurance.

Borrower Requested Cancellation of PMI: Under the Homeowners Protection Act of 1998, if your loan closed on or after July 29, 1999 as a single-family primary residence, you have the right to request that PMI be cancelled on or after either of these dates: (1) the date the principal balance of your loan is first scheduled to reach 80% of the original value of the property or (2) the date the principal balance actually reaches 80% of the original value of the property. PMI will only be cancelled on these dates if (1) you submit a written request for cancellation; (2) you have a good payment history; and (3) we receive, if requested and at your expense, evidence that the value of the property has not declined below its original value and certification that there are no subordinate liens on the property. A "good payment history" means no payments 60 or more days past due within two years and no payments 30 or more days past due within one year of the cancellation date. "Original value" means the lesser of the contract sales price of the property or the appraised value of the property at the time the loan was closed. **Automatic Termination of PMI:** Under the Homeowners Protection Act of 1998, if your loan closed on or after July 29, 1999 as a single-family primary residence and if you are current on your loan payments, PMI will automatically terminate on the date the principal balance of your loan is first scheduled to reach 78% of the original value of the property. If you are not current on your loan payments as of that date, PMI will automatically terminate when you thereafter become current on your payments. In any event, PMI will not be required on your mortgage loan beyond the date that is the midpoint of the amortization period for the loan if you are current on your payments on that date.

If your loan closed before July 29, 1999 or if it is not a single-family primary residence or second home: The conditions for cancelling mortgage insurance for mortgages closed before July 29, 1999 are not statutory under federal law, they may be changed at the lender's discretion (unless otherwise required by state law).
